<p>Mayor's Neighborhood Liaison, South Center Region Lisa Laflin 317.452.0316 (cell) Lisa.Laflin@indy.gov</p>	<ul style="list-style-type: none"> • Project Updates: Calvary cut through (Calvary near McCarty that goes over the highway). The idea is to make it a green space since it's not safe. The state approved the plan. At the end of the month, the cut through will be closed! The planters will be removed and those will be installed as the closers in the street. There is a plan to paint the guardrails and pavement. • The train track from Pine and Davidson—The idea is to create a park along that space. If you're interested in creating something in this space or if you're interested in talking about ideas, please email Lisa Laflin. She wants to get a group together to create something. There have also been questions about a 'bark park' in that area too. Lisa brought it back up with the parks department with the idea of an 'urban bark park'. It's being discussed. • Jim L. is working with HUNI on getting guidelines for urban dog parks. If you're interested in working on this project, email Jim. jimlingenfelter@five2fivedesign.com
<p>Justin Moed H97@in.gov Indiana State Representative, HD 97 (317)232-9768, (317) 9974914</p>	<ul style="list-style-type: none"> • Not in attendance.

<p>The Marion Co. Prosecutor Officer: Burglary Prevention</p>	<ul style="list-style-type: none"> • The average burglary takes 4-7 minutes. There are rarely witnesses and there are usually finger prints to find out who was in your home. • Burglars usually try to blend in with the neighborhood and community. • National Average: Usually under 25 years of age, white male and usually happens during the warmer months. • Tips: Know your neighbors. Don't leave items on display. If you get new larger items, break down your box and put it in a bag to throw away. Lock doors and windows even if you're home or working in the backyard. Keep your garage locked. Use your alarms if you have them. A dog can be a deterrent. Don't allow strangers in your home—often times women will allow other women who may be scoping the house out into their home. Don't overshare on Facebook. Call 911 if you see something suspicious.
