IV. Old Business	
Adopt-a-stop trash barrels	<ul style="list-style-type: none"> • Glenn reported: In 2013, FPNA adopted the bus stop trash cans in our neighborhood. IndyGo's expectations are that they're emptied about once a week. IndyGo provides us bags. Currently, the board members are the main volunteers for this effort. It seems once a week isn't quick enough especially with events and on weekends. • We would like to start doing it twice a week or so. We need more volunteers. • If you'd like to volunteer in this way, contact Glenn or a board member. • Trinity suggested reaching out to the Virginia Ave IED board (Tentatively) to cover the Virginia Ave trash cans. The IED would include property owners and would help maintain Virginia Ave (lights, benches, trash cans, bike racks, etc.).
