<b>HUNI</b> Jim Lingenfelter / Glenn Blackwood	<ul style="list-style-type: none"> <li>● The billboard ordinance: NBC voted to be presented to the city council. It's very much in favor of the billboard companies. 11 members of the council asked to not send it down to the council, but it was sent down without comment. The problem as it is now, it heavily favors the billboard companies. The city gets very little in return. Currently written as: 2 existing billboards for each digital billboard. Other cities have 6 to 1 or 8 to 1 or a complete ban.</li> <li>● Jim would like to recommend FPNA to continue to support HUNI in their response to this issue to keep the billboard companies. HUNI is not trying to kill the ordinance. They are trying to make it better for our city.</li> <li>● Jim made a motion: <b>FPNA will continue to support the HUNI position as they negotiate with the billboard ordinance. The HUNI position is to support an equitable solution and look at best practices to better the community.</b> Matt Impink seconded the motion. Motion was approved.</li> </ul>
